

Tap to Reveal

A progressive disclosure game where tapping reveals more parts of the description or concept bit by bit.

Word Bank

A game where you choose the correct answers from a list of provided words to complete a question or sentence.

Fill in the Blanks

A sentence or passage with missing words that you complete from memory.

Passage Memory

A game where you recall the description or concept by typing the first letter of each word. When correct, the full word will appear helping reconstruct the entire text.

Matching

Pair a term with its matching description or concept.
